

Generational Leadership in Action

REALISING OUR SUSTAINABLE FUTURE

11.11.21

Organised by:

During this morning we will discuss and share ideas about the role of bold and brave leadership to advance on the implementation of the Sustainable Development Goals (SDGs).

Together we will embark upon a journey to create action plans to realize the ambitions for each of the eight DSGC members (AkzoNobel, DSM, Heineken, KLM, FrieslandCampina, Philips, Shell, Unilever). The winner of each group will have the opportunity to pitch their plan to a jury and win a visit to one of the companies' sites (e.g. R&D centre).
